

The Secretary-General

Geneva, 20 July 2009

Professor Marek Holynski
President
Polish Information Processing Society
Pulawska Street 39/4
02-508 Warsaw
Poland

Subject: **Thank you**

Dear Professor Holynski,

On behalf of International Telecommunication Union, and on my own behalf, please accept my sincere thanks for the plate commemorating the World Telecommunication and Information Society Day (WTISD)2009 celebrations in Poland, remitted to me personally by Professor W. Moron.

I truly appreciate this gesture and wish to thank and congratulate PTI and Poland for integrating the WTISD celebrations in its Agenda.

I trust that I can count on your continued support and cooperation in ITU's efforts towards the development of telecommunications and information networks, promotion of adequate capacity building and development of confidence in the use of cyberspace through enhanced online security, as well as in facilitating universal access to all the inhabitants of the world.

Accept, dear Professor Holynski, the assurances of my highest consideration.

Dr. Hamadoun I. Touré
